Central Asia Fiberglass Cable Tray Brands

Overview

Fiberglass Cable Tray Manufacturers & Suppliersfiberglass cable tray manufacturers/supplier, China fiberglass cable tray manufacturer & factory list, find.

Key Takeaways

Leading fiberglass cable tray manufacturers include ORI Group (Indonesia) and multiple Chinese suppliers capable of supplying high-quality FRP cable trays to Central Asia. Key Manufacturers1.

OR

I Group (Indonesia)ORI Group is a major Asian manufacturer of corrosion-resistant fiberglass products, including the ORITRAY fiberglass cable tray system. Products include ladder-type and channel-type trays, designed for high chemical resistance, fire retardance, UV protection, and load-bearing capacity.

ORITRA

Y trays are widely used in electrical and industrial applications, particularly in corrosive environments such as chemical plants and coastal areas. The company emphasizes customization, quality control, and timely delivery, making it suitable for large-scale projects in Central Asia. 2.

Chinese Manufacturers

Platforms like Alibaba list over 600 fiberglass cable tray suppliers and manufacturers, many offering OEM and ODM services. Notable Chinese suppliers provide pultruded FRP trays, ladder, tray, and trough types, with options for flame-retardant, UV-resistant, and anti-slip surfaces. These manufacturers typically support bulk orders, sample requests, and international shipping, including sea, air, and rail freight to Central Asian countries.

Examples include Hdmann and CFRP-Tstar, which offer high-strength, corrosion-resistant fiberglass trays suitable for industrial and power system installations.

Considerations for Central Asia Procurement

Customization: Most suppliers can tailor tray dimensions, colors, and load capacities to project requirements. Shipping & Logistics: Sea freight is common for large orders, while express or rail transport can be used for faster delivery. Compliance & Standards: Ensure trays meet local electrical and fire safety standards, especially for industrial or power plant applications.

MO

Q & Pricing: Minimum order quantities vary; some suppliers require 1,000 pieces per order, with deposits before production.

Recommendation

For projects in Central Asia, ORI Group is a strong option for high-quality, durable fiberglass trays, while Chinese manufacturers offer a wide range of cost-effective and customizable solutions. Contacting suppliers directly to discuss specifications, shipping, and compliance is recommended to ensure timely and reliable delivery.
