

Cost of Tray Cable Trays in Slovenia

Overview

We, one of the well-known Cable Trays Manufacturers in Slovenia, offer top-notch trays that keep your electrical system organized and protected.

Key Takeaways

Cable trays in Slovenia typically range from €15 to €100 per meter, depending on material, size, and type.

Factors Affecting Price

Material: Galvanized steel is the most common and cost-effective, while stainless steel and fiberglass trays are more expensive due to durability and corrosion resistance. **Size and Dimensions:** Widths range from 50 mm to 600 mm and heights from 50 mm to 60 mm. Larger trays or custom dimensions increase the price.

Type of Tray: Ladder, perforated, and solid-bottom trays have different costs. Perforated trays are slightly more expensive due to manufacturing complexity and better airflow. **Surface Treatment:** Hot-dip galvanization, powder coating, or stainless steel finishes add to the cost, especially for outdoor or industrial applications.

Accessories: Bends, couplers, brackets, and hangers are additional costs required for installation.

Typical Price Range

Standard galvanized steel trays: €15–€30 per meter
Powder-coated or hot-dip galvanized trays: €25–€50 per meter
Stainless steel trays: €50–€100 per meter
Fiberglass trays: €40–€90 per meter
Suppliers in Slovenia
Bevec d.o.o.: Offers a wide range of galvanized, stainless steel, and powder-coated trays with various accessories.
Brilltech Engineers / Cable Tray Manufacturers: Provides perforated and ladder-style trays with installation support.
Elba d.o.o.: Specializes in electrical installation products and custom sheet metal processing for cable trays.

When purchasing, it is recommended to request a detailed quote from local suppliers, as prices can vary based on order volume, customization, and delivery options.
