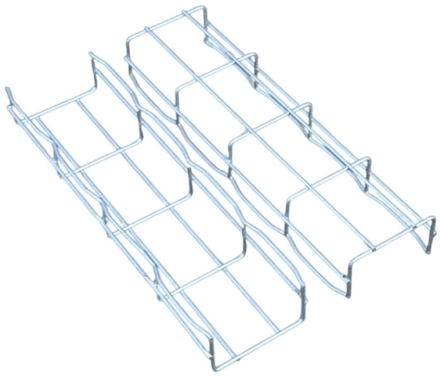
Czech cable tray manufacturers offer high-quality products at competitive prices



Overview

Our cable tray catalogue covers all cable management and protection needs, from domestic installations to large-scale industrial projects.

Key Takeaways

For the best value in the Czech Republic, ARKYS and GroupSumi are top suppliers, offering durable, high-quality cable trays with extensive product ranges and competitive pricing.

ARKYSARKY

S is the largest manufacturer and supplier of wire mesh cable trays in the Czech Republic, with 25 years of experience. They specialize in high-quality wire mesh trays suitable for industrial and commercial installations. Their long-standing market presence suggests reliability, and their focus on wire mesh systems ensures products that are durable, easy to install, and compliant with Czech and European standards.

ARKY

S is ideal for projects requiring robust, long-lasting solutions. GroupSumiGroupSumi offers a wide range of cable trays for indoor and outdoor use, including accessories like supports, joints, and connectors. Their products are designed for durability and ease of installation, and they emphasize affordability without compromising quality.

Group

Sumi also provides customer support to help select the right tray for specific projects, making them a strong choice for both residential and industrial applications. Their online catalogue allows easy comparison of products and prices, enhancing value for money. Other SuppliersB2B marketplaces like Kompass and Europages list multiple Czech suppliers, including manufacturers of ladder-type, solid-bottom, and specialized fiber optic cable trays.

These platforms allow buyers to compare product specifications, pricing, and supplier reputation, which can help identify additional cost-effective options. However, the quality and service levels may vary, so direct engagement with suppliers is recommended.

Recommendation

For best overall value, ARKYS is recommended for industrial-grade wire mesh trays due to their extensive experience and product reliability, while GroupSumi is ideal for projects requiring a broad selection of trays and accessories at competitive prices. For specialized or bulk orders, exploring suppliers via Kompass or Europages can provide additional options and potential cost savings.
