

FC Fiber Optic Patch Cord Wholesale Manufacturer

Overview

OEM Fiber Optic Patch Cords: Standard, Drop Cable and MPO SolutionsGETEKnet offers OEM fiber optic patch cords including standard, drop cable and MPO types.

Key Takeaways

Riteoptic, GETEKnet, Photonstream, FiberTech Optica, and UnitekFiber are leading wholesale manufacturers of FC fiber optic patch cords.

Top Manufacturers and Suppliers

Riteoptic offers FC fiber optic patch cords suitable for enterprise networks, telecom carriers, server farms, and cloud storage networks. Their cords are RoHS compliant, optically tested for insertion loss, and available in OFNR and OFNP UL-listed options. They provide customizable connectors and wholesale pricing for bulk orders, supporting applications in FTTH, LAN, and data centers.

GETE

Knet specializes in OEM fiber optic patch cords, including FC types. They provide standard, drop cable, and MPO solutions, with single-mode and multimode options. Their cords are pre-terminated with SC/APC, LC/APC, SC/UPC, or LC/UPC connectors, suitable for indoor and outdoor use, UV-resistant, weatherproof, and bend-insensitive.

Customization options include cable length, jacket material (PVC or LSZH), and fiber type (G. 652D, G. 657A1/A2),.

Photonstream manufactures high-performance FC optical fiber patch cords with excellent return loss, low insertion loss, and stable signal transmission. Their cords feature threaded coupling for precise alignment, durability, and vibration resistance, making them ideal for single-mode applications in telecommunications, data centers, and research facilities. They also offer customization for industrial and medical laser systems.

Fiber

Tech Optica provides custom FC patch cords for industrial and laboratory applications. They offer a wide range of fiber types, lengths, and jacketing options for extreme temperatures, chemical exposure, moisture, shock, vibration, and vacuum environments. Their cords are suitable for connecting measurement and analysis equipment in specialized applications.

Unitek

Fiber produces FC patch cords using high-quality Corning glass fiber, riser, and plenum cables. They offer duplex and simplex configurations, OEM services for custom colors, cable printing, and packaging design. Their products are RoHS, UL, and CRP certified, ensuring reliability and stability for fiber optic communication systems, LANs, and FTTH networks.

Key Considerations for Wholesale Orders

Connector Type: FC connectors are threaded for secure connections; ensure compatibility with your network devices. Fiber Mode: Single-mode for long-distance, multimode for short-distance applications. Jacket Material: OFNR, OFNP, LSZH, or PVC depending on fire safety and environmental requirements.

Customization: Length, color, fiber type, and packaging can often be tailored for bulk orders. Certifications: Look for RoHS, UL, and CRP compliance to ensure quality and safety. These manufacturers provide reliable FC fiber optic patch cords with wholesale pricing and customization options, making them suitable for large-scale network deployments and specialized applications.
