

Price of Indoor Cable Management Racks

Overview

Amazon.com: Cable Management RackDiscover cable management racks designed for desks and server installations. Keep cables organized and out of sight. Amazo.

Key Takeaways

Indoor cable management racks typically range from \$10 to \$150 depending on type, size, and material. Price Ranges by TypeUnder-Desk Cable Management Trays: These trays, often made of steel or mesh, attach to desks without drilling and can hold power strips and multiple cables. Prices generally range from \$15 to \$50 depending on size and build quality (Amazon, Wayfair).

Rack-

Mounted Cable Management Bars: Designed for server racks or network cabinets, these bars come in 1U or 2U sizes and are made of metal. Prices typically range from \$20 to \$80 per unit, with deeper or finger-style bars costing more (PBTech, FireFold). Decorative or Wooden Cable Organizers: For home offices or living spaces, handcrafted wooden boxes or cord organizers can cost \$30 to \$150, depending on craftsmanship and materials (Wayfair).

Factors Affecting Price

Material: Steel and metal racks are more durable and often more expensive than plastic or mesh trays. Size and Capacity: Larger trays or bars that hold more cables or power strips cost more. Installation Type: Clamp-on or adhesive trays are generally cheaper than fully mounted or tool-required racks.

Special Features: Ventilation, side openings, or aesthetic design can increase the price.

Summary

For a typical indoor setup, small under-desk trays start around \$15, while professional rack-mounted solutions for servers can reach \$80 or more. Decorative organizers for home use may go up to \$150 for premium handcrafted options. Choosing the right product depends on your workspace, cable volume, and desired aesthetics.
