

ST Adapter Energy-Saving Project Quotation

Overview

16+ Project Quotation Examples to Download A project quotation is a document that should be impressive enough to contain a non-binding work estimate to perf.

Frequently Asked Questions

Is a quotation final?

A quote is a fixed price. Therefore, it is legally binding, which means it is final.

What should be included in a quotation?

A reasonable quotation must contain essential elements such as the summary of the discussion, necessary information, and the fixed price list.

How long does a quotation remain valid?

Typically, a quotation is valid within a span of 30 to 90 days. However, when it exceeds, the company will decide.
