

Safe City Optical Cable Tray IP67

Overview

LUL compliant weatherproof optical fibre enclosure is manufactured from AISI 304 Stainless Steel providing secure splicing for up to 48 fibre cable. Ideally suited to harsh external applications such as Track & Roadside environments, the cabinet has an IP rating of IP67. The enclosure is Wall, Pole. IP67 Tray Fiber Optic Connectors are available at Mouser Electronics. Protect your fiber optic. Global Recycled Standard (GRS) certified products contain recycled content that has been independently verified at each stage of the supply chain, from the source to the final product and meet social, environmental, and chemical requirements. Applying our proven design found in the TNCN product line, we are able to provide long-term highspeed junctions.
