

Steel Cable Tray Manufacturers in the UAE

Overview

Cable Tray Manufacturers in Dubai, Abu Dhabi, Unigroup Cable Trays, Channels and Trunking Solutions are proudly manufactured in the UAE to the highest inte.

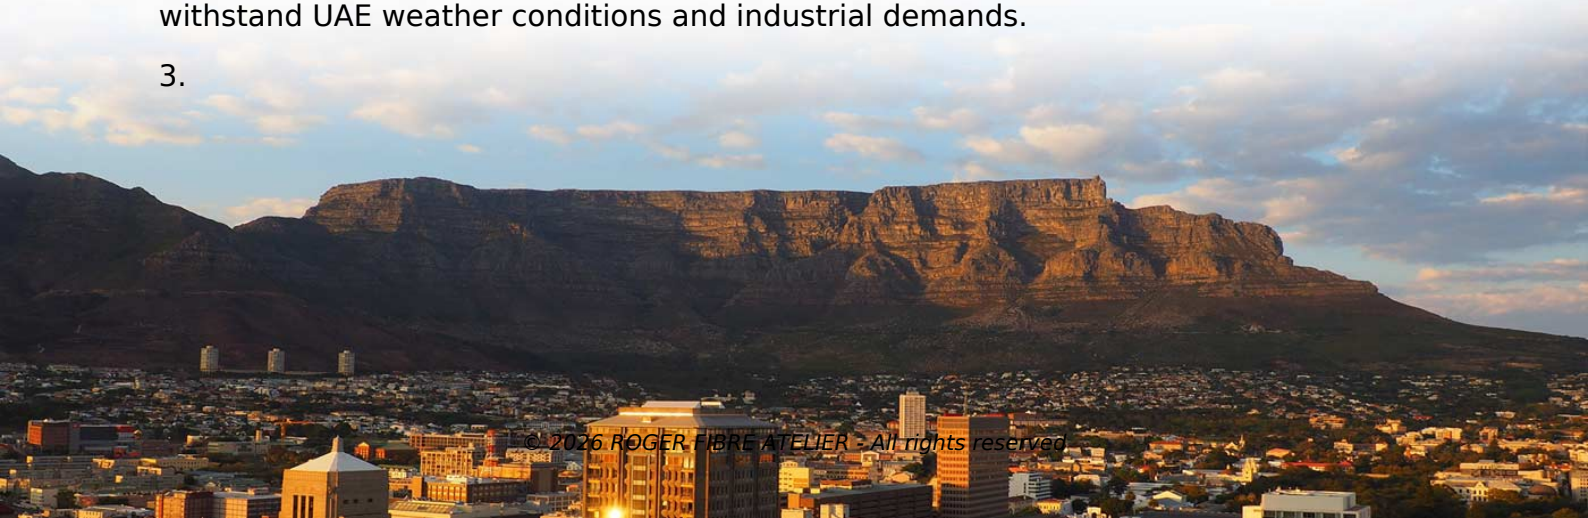

Key Takeaways

Leading steel cable tray manufacturers in the UAE include Metar, Ruwais Steel, Bonn Metal Construction Industries, Avadh Metal Industries, and Emerald Steel Industries. Key Manufacturers and Offerings1. Metar (Dubai, UAE) Metar specializes in high-performance steel cable tray systems for commercial, industrial, and infrastructure projects.

Their products include perforated trays, ladder trays, and trunking systems designed for heavy-duty applications, data centers, and server rooms. Metar emphasizes structural integrity, corrosion resistance, and compliance with consultant specifications, making them suitable for large-scale UAE projects. 2.

Ruwais Steel (Pan-UAE) Ruwais Steel manufactures a wide range of cable trays including powder-coated, stainless steel, ladder, trunking, galvanized, perforated, and hot-dip galvanized options. They focus on ISO 9001: 2008 certified quality, testing for tensile strength, dimensional accuracy, and hardness. Their products are designed to withstand UAE weather conditions and industrial demands.

3.

Bonn Metal Construction Industries LL

C (Sharjah, UAE) BMCI produces over 12,000 tons of cable management systems annually, including cable trays, ladders, and accessories. They serve industrial and commercial sectors across the MENA region, offering high-end solutions for power, signal, control, and communication cables.

BMC

I emphasizes quality control, British standards compliance, and timely delivery for large-scale projects. 4. Avadh Metal Industries (Middle East) Avadh Metal Industries specializes in steel cable management and support systems, insulation products, and construction accessories.

They maintain ISO 9001 certification and use state-of-the-art production facilities to ensure high-quality fabrication and timely delivery. Their products comply with local and international standards. 5.

Emerald Steel Industries LL

C (Ajman, UAE) Emerald Steel Industries manufactures and supplies cable trays, troughs, U channels, strut supports, ladder systems, and trunking with accessories. They provide hot-dip galvanized trays in standard 3-meter lengths, available in light, medium, heavy, and extra-heavy duty. Emerald is ISO 9001 certified and offers design support with AutoCAD and PDMS integration.

Considerations for Selection

Material and Finish: Choose between galvanized, stainless steel, or powder-coated trays depending on environmental exposure. Load Capacity: Ensure the tray type (light, medium, heavy, extra-heavy) matches the project's electrical load requirements. Certifications: ISO 9001 and compliance with BS 4678 or British standards ensure quality and reliability.

Project Support: Some manufacturers provide design assistance, engineering support, and tailored solutions for complex installations. These manufacturers collectively cover the UAE market, offering durable, high-quality steel cable trays suitable for industrial, commercial, and infrastructure projects.
